

Hospice ... Where Life is Celebrated

When you support the Killington Pico Rotary Golf Tournament you help us raise awareness of RAVNAH's hospice program and the many services offered to the terminally ill.

The mission of hospice is unique. Pain and symptom management, as well as emotional and spiritual care, are offered to people with a terminal illness and their families. Hospice serves patients of all ages who are struggling with life threatening illness. Hospice ensures dignity, comfort and quality of life.

The hospice program at the Rutland Area Visiting Nurse Association & Hospice is a 501(C)(3) not-for-profit charitable organization as determined by the Internal Revenue Service.

For more information on the Hospice program or RAVNAH's other services, please call 775-0568 or visit www.ravnah.org.

Any person who comes to know hospice seems to be forever changed.

That is because the people who serve this organization are deeply committed to ensuring that everyone nearing the end of their life get the care for living.
